COMMITTEE SENSITIVE

Dear Mr. Breckinridge:

This letter confirms an oral request made to your office on July 19, 1978, in reference to a report to be prepared by Agency personnel as a result of my request of June 8, 1978, that additional time, probably not in excess of two weeks, be devoted to the completion of this report.

I note that not all of the desks that might have been checked for certain material could be checked within the time available. I have discussed this matter informally with the individual who prepared the report and I understand that they have already begun to comply with my oral request of June 8.

Because information referred to above may be of a sensitive or classified nature, this letter may require appropriate classification.

Sincerely,

*G. Robert Blakey*
